

2015 ANNUAL REPORT

Our Passion & Philosophy

Giving orphans hope for a brighter future is our mission. Put yourself in the shoes or sandals of a child from one of our 12 orphanages. Now imagine being fed every day instead of four times a week. Picture yourself learning how to read, write and doing all types of math for the first time. Think of the joy of knowing that when you get sick or need medical attention, instead of suffering, someone is there to help you. Envision every night when you lay your head down to sleep, you finally feel safe. The five countries we serve all have different issues and needs when it comes to orphans. At God's Kids we see shelter, education, nutrition, health, safety and mentoring as the cornerstones of our calling. We can never replace a lost mother or father, but we can bring the goodness of God and be the hands and feet we are called to be by caring for the world's orphans.

May God bless you for caring for His kids,

HOPE & PURPOSE

Our Gift to Orphans

Our Mission

God's Kids brings purpose and hope to the lives of orphaned children worldwide by:

- * Providing quality nutrition, clean places to live, and medical care for orphans
- * Equipping orphans with an education and life skills
- * Raising a generation of orphans prepared to be significant contributors to their society
- * Providing emotional support

Our Passion

AWARENESS Monitoring the health, safety, and education of all our orphans.

ACCOUNTABILITY Requiring receipts and documentation for all expenses network-wide.

Dear Faithful Partners:

God's Kids staff, volunteers and our international workforce couldn't be more excited about what has been accomplished and what is awaiting us in the coming years.

Because of your faithful support we have seen increases in the educational achievements of our orphans, as well as better health for the children and staff at our orphanages.

The success rests on your understanding of teamwork. When there is teamwork, the dream works.

We can't thank you enough for all that you do for God's Kids. Your support will have a profound effect on the lives of so many.

Dion Quinn,
Founder

Congratulations, Gary!

your influence will never be forgotten

At the end of 2015, our director of operations, Gary Couch, retired after serving with God's Kids since it was founded in 2002.

His passion for helping orphans helped God's Kids impact thousands of lives throughout the years.

Not only did he guide and direct our orphanages to be as transparent and accountable as possible, but he often spent time in the field making sure the kids were taken care of in loving and caring ways.

*Thank you, Gary, for your 14 years of service.
We hope you enjoy your retirement!*

INDIA Mercy Children's Home

47 Children

After our visit in 2014, we made many small improvements to infrastructure at our orphanage in India during 2015 including new water/sewer lines, new ceilings, and repairs to the outer walls. In May, the God's Kids board approved funding to purchase land next to the orphanage in India, creating a safe area for the children to play. Swings, see-saws and a slide were constructed for the children to use in the play area. It was completed in September 2015.

LIBERIA Orphanages

400 Children

In May 2015, Liberia was officially declared Ebola free after the outbreak in 2014. This year, we have started to focus our support in Liberia onto REAP, a non-profit in Liberia that helps orphans and students with agricultural and medical provision. During 2015, we helped REAP create new bathrooms in 3 communities, we plan to continue creating these bathrooms with REAP for additional Liberian communities in need.

MEXICO Orphanage & Feeding Centers

During 2015, with your help the God's Kids board purchased land for two new feeding centers in Mazatlan. The first one opened at the end of the year. Once complete, each center will feed 40-60 children twice a day.

Our orphanage in Tijuana has made substantial updates per new government regulations including new safety signage, new doors, and additional insulation in the rooms.

PHILIPPINES Village of Hope

40 Children

Julia, our nurse friend, visited the homes in Bohol during the summer of 2015. The children had health and wellness checkups; she also taught the orphanage parents how to take medical notes and records for each child. We also started building two water wells on the property to allow for fresh water to be available on the site.

SPECIAL REPORT:

Roldan's Heart Surgery

A Life Saved

Roldan is a teenage boy who has lived at Village of Hope, Philippines, for the last 13 years.

He had a severely damaged heart valves as well as fluid in his lungs. Both of these maladies would have killed him if left untreated.

Through your support, God's Kids was able to get Roldan heart surgery and he has been recovering very well.

THAILAND Huaymalai Orphanage

35 Children

Julia also visited our orphanage in Thailand in the summer of 2015. She also set up medical records for the children during her stay. While there, she set up an immunization schedule for the children and even had shots administered by nearby doctors. At the end of 2015, we purchased seven strollers for children in a nearby village who were unable to walk.
