Teacher's Day Celebration

The children just celebrated Teacher's Day in their school organized to express gratitude toward teachers. The kids at Mercy Children's Home were given special time for singing.

Liberia

Continuing Education

God's Kids has continued to partner with Charlie and his journey to become a neurosurgeon in Liberia. He is currently in his final year of college before going to medical school. God's Kids has helped cover the costs of his next semester of schooling which includes books, registration fees, and field trip costs. We will continue to bring updates as we follow Charlie's dream.

Mexico

School Supplies

The feeding centers in Mazatlán recently helped children in their various centers by purchasing school supplies for them as they begin their new school year.

Philippines

Medical Expense

Village of Hope recently had annual doctor and dentist checkups for the children. God's Kids helped cover the medical expenses associated with these visits.

11th Anniversary Field Trip

This September marked 11 years since Village of Hope opened. To celebrate, the kids played basketball, had a family picnic and a field trip.
